Chris,

Got your e-mail! That sounds good. Go ahead and send the scripts in, and I will begin the review process for you.

Thanks for taking the time to talk to me the other day regarding my submission to the FBI's Prepublication Review Desk. I have two scripts that I'd like to submit to you but wanted to send a test email to ensure that I have the correct address.

The first script I'd like to submit has already been submitted twice. It was first submitted in whole and approved for publication in July 2006. Subsequently I made changes in May 2009 and, per her instructions, submitted just the changed pages to [REDACTED] rather than the entire script. Your office again approved these changes for publication in June 2009. I'd like to again submit Natural Sunlight and ask that it be reviewed in total given changes I made since 2009.

Secondly, I'd like to submit "Brothers Peshmerga" for its first Prepublication Review.

I suspect your office is very busy and would ask that if only one of these scripts could be processed within the 30 day window, that Natural Sunlight be reviewed first. Again, I'll forward both scripts to you for review if you could reply back to this email when you have an opportunity. Thanks again.
